Dear Huawei Technologies India Private Limited,

I was extremely overjoyed to hear that I have received a 70,000/- scholarship. You have lightened my financial burden which allows me to focus more on the most important aspect of college, learning. I promise you I will work very hard and hopefully give something back to the community. I hope one day I will be able to help students achieve their goals just as you have helped me. Thank you for your generosity and support.
